

BULK WRAPPED CANDY SELECTIONS

SIMON CANDY

Simon Candy Company, located in the heart of Central Pennsylvania's "dutch" country, manufactures a variety of hard candy products, including favorites like Root Beer Barrels, Butterscotch Buttons and Sour Balls. Its customers include specialty stores, supermarkets, internet sellers and confectionery retailers throughout the U.S.

These selections are fun for adding color to a gift basket; just toss in a few colorful pieces. Also, since these selections are wrapped, you do not necessarily need a lid on your display jars – add a scoop or a pair of tongs to your display piece to give the display a three dimensional presence!

HINT: These selections are ideal for sampling or other "give-away" events, such as parades or trick or treating.
